::::::

The Udipi company electrical undertaking has vested in the Government on 1-6-1951 under the provisions of the Madras Electricity Supply Undertakings (Acquisition),Act, 1949. The Accredited Representative of the undertaking intimated that compensation for the undertaking might be paid under Basis C. As this intimation was made after the expiry of the time limit laid down in Section 9(1) of the Act, in order to get over the difficulty, the Govt., themselves, under Section 9(3) of the Act, declared that compensation would be paid under Basis C as laid down in Section 5(3) of the Act, i.e., book value less depreciation plus solatium. Depreciation will be calculated in accordance with Schedule II to the Act. Under item 'D' of the Table appended to Schedule II, it is open to the Govt. to fix the life of those assets not specified in the Table, for purposes of depreciation at such number of years as they consider reasonable. The C.E.I.G. has stated that in respect of certain assets belonging to the Udipi undertaking mentioned at 'X' on p.1 c.f., no specific periods of life have been laid down in the Table appended to Schedule II to the Act. Based on the orders issued fixing the life for purposes of depreciation in respect of certain assets belonging to the Cuddapah Gudiyatham undertakings, the C.E.I.G. has recommended for approval of the Government suitable periods of life in respect of the assets belonging to the Udipi undertaking mentioned at 'X' on p.1 c.f. The C.O.E.(S) has agreed with the C.E.I.G's recommendation. It may be approved. A draft order is submitted for approval.

2. With reference to the reminder from the C.E.I.G. at p.5 c.f., he may be informed as in the draft memo. submitted on p.6 c.f.

3. After issue of the draft memo. on p.6 c.f. the file may be sent to Legal for scrutiny of the draft order and to Fin. for persual, prior to circulation.
